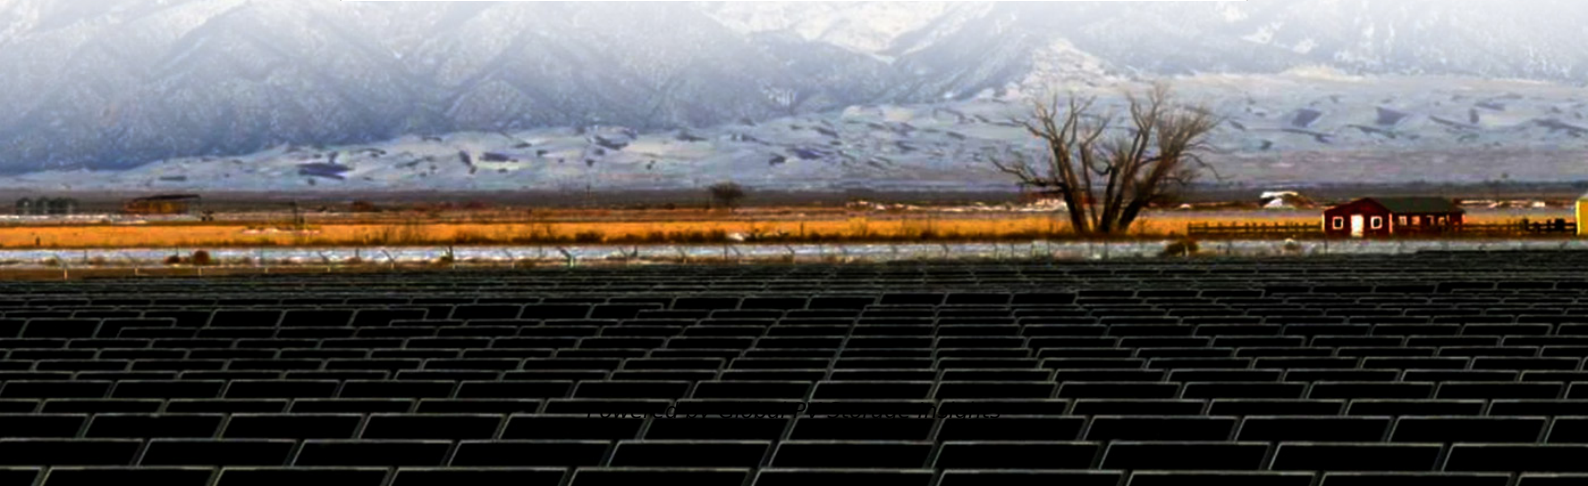
Floor standing battery project financing options in South Africa 2026



Overview

Where will the battery energy storage project be implemented?

The Project will be implemented at approximately 17 sites, located within or adjacent to existing distribution substations of Eskom, across four provinces of South Africa. The Battery Energy Storage Project (Project) provides a solution to address both challenges.

Is Standard Bank a lead arranger for Mogobe battery energy storage system?

Standard Bank, as sole mandated lead arranger, in partnership with Scatec ASA, a leading renewable energy provider, have recently reached financial close for the Mogobe battery energy storage system (“BESS”) facility totaling 103 MW / 412 MWh.

Where are dispatchable energy & grid infrastructure located in South Africa?

The project is located near Kathu, Northern Cape, close to high power demand centres. “We are showing and supporting that dispatchable energy and grid infrastructure are cornerstones to the sustainability of South Africa’s current and future energy system.

How much money does Scatec spend on battery energy storage?

The estimated total capital expenditure for the battery energy storage project is ZAR3.0 billion (USD 170 million) of which Scatec’s EPC contracts account for approximately 83%. The project will be financed by ZAR 2.7 billion (USD 154 million) of non-recourse project debt, and the remaining by equity from the owners.

How will Scatec be financed?

The project will be financed by ZAR 2.7 billion (USD 154 million) of non-recourse project debt, and the remaining by equity from the owners. Scatec will own 51% of the equity in the project with Perpetua Mogobe (RF) (Pty) Ltd owning 46.5% and a holding company of the Mogobe Local Community Trust

2.5%.

How much Bess capacity has South Africa procured?

To date, South Africa has procured a total of 1 744 MW/ 6 979 MWh of BESS capacity across three public procurement bid windows in line with the 2019 edition of the Integrated Resource Plan. Subscribe to improve your user experience. Already a subscriber?
