

## Global PV Storage Insights

# Cheapest rooftop solar storage installation offer in Bulgaria

## Overview

---

The Bulgarian Ministry of Energy has announced that a BGN 240 million (\$134 million) rebate scheme is now open for applications from households seeking to install solar water heating systems and rooftop PV arrays, potentially coupled with battery energy storage systems. Does Bulgaria have a solar target?

“Bulgaria’s solar target remains low as PV will only account for 2.6% of electricity in 2040,” SPE said in its 2022-26 EU solar market outlook. “Yet Bulgaria benefits from high irradiation rates, notably in the south of the country, and has an important solar potential, which is not reflected in the current target.”.

Does Bulgaria have a solar rebate scheme?

The Bulgarian Ministry of Energy has launched a solar rebate scheme to the tune of BGN 240 million to help households reduce their carbon footprint and put downward pressure on their electricity bills.

Does Bulgaria have a solar potential?

“Yet Bulgaria benefits from high irradiation rates, notably in the south of the country, and has an important solar potential, which is not reflected in the current target.” In 2020, SPE forecast Bulgaria to hit 3.8 GW by 2024, thereby exceeding its 2030 target.

How much solar power will Bulgaria have in 2022?

According to SolarPower Europe (SPE), Bulgaria reached 1.5 GW of cumulative installed PV capacity at the end of 2022. “Bulgaria’s solar target remains low as PV will only account for 2.6% of electricity in 2040,” SPE said in its 2022-26 EU solar market outlook.

What services does Topsolar offer?

Services Investment consulting and market representation Pre-investment

studies Project management Design Delivery of components  
Installation/installation: Maintenance Management Servicing Topsolar home  
Our mission About us Blog Contacts Menu Home Products Photovoltaic panels  
Inverters Constructions Batteries Charging stations for electric cars.

Why should you buy from Topsolar?

Save money by getting the best prices from us. If we cannot acquire and deliver something then it simply doesn't exist. Experience the top technology of the leading manufacturers, through the partners and the warehouse of TOPSOLAR. You buy from us - you buy cheaply! If you need good and quality performance - trust us!

## Cheapest rooftop solar storage installation offer in Bulgaria

### Installation of solar systems

Installation of solar systems Price list for installation of a solar installation, upon mandatory inspection: The indicated prices are in Bulgarian levs, incl. VAT.
