ESS container project financing options in Guernsey 2025

Overview

Are Guernsey's infrastructure projects 'essential' and 'must continue'?

Guernsey's top political committee says all approved infrastructure projects are "essential" and "must continue", despite the States of Guernsey being short of £62m to pay for them. Funding currently available for those projects is £357m while the expected cost is £419m.

How can Guernsey's Development & Planning Authority help deliver new homes?

Guernsey's Development & Planning Authority must be enabled to help deliver new homes as quickly as possible. We support: Expanding the use of 'permissions-in-principle' to ensure developers know sooner if a project is feasible.

What is future Guernsey's plan?

Future Guernsey's plan is ambitious, but with determined, effective leadership and political collaboration it is deliverable. It focuses on pragmatic policies to deliver sustainable economic growth, affordable housing, and high-quality public services.

What is Guernsey Government's responsibility?

It is government's responsibility to ensure that publicly owned assets are managed to deliver the best for islanders. To achieve this we support: Commercialising Guernsey Water, Guernsey Ports, and States Works to bring them in line with Guernsey Post and Guernsey Electricity.

What can Guernsey do about homelessness?

Development & Planning Authority. Guernsey is facing a homelessness crisis, with a shortage of emergency housing and a lack of clear pathways out of homelessness. We are committed to ending homelessness. We support: Partnering with local charities. Making housing a statutory right. Providing

emergency housing.

Does Guernsey need a skills strategy?

Guernsey needs a clear Skills Strategy as competition grows and as our economy stagnates. Our people are our most important resource, and we must ensure they are highly skilled and do not face barriers due to a lack of training. The Skills Strategy must complement our economy and education system, and has to be simple, flexible, and actively used.

ESS container project financing options in Guernsey 2025
