Government procurement price of battery storage container in Ghana

Overview

This list known as the Common User Items is published here with average prices. These prices are meant to be indicative prices and do not serve as the mandatory prices that the items should be purchased at. There is also the likelihood that at the time of procurement the prices would have changed.

This list known as the Common User Items is published here with average prices. These prices are meant to be indicative prices and do not serve as the mandatory prices that the items should be purchased at. There is also the likelihood that at the time of procurement the prices would have changed.

The Public Procurement Authority (PPA) is required by Section 3 (p) of the Public Procurement Act, 2003 (act 663) to “maintain a database of Suppliers, Contractors, Consultants and a record of prices to assist in the work of procurement entities.” In fulfillment of this mandate, PPA collated a list.

Ghana's government procurement, overseen by the Public Procurement Authority, aims for transparency and efficiency. Launched in 2019, the Ghana Electronic Procurement System hosts all tenders online, with 2022 seeing over 100,000 bids submitted. Though efforts to combat corruption and sole-sourcing.

GHANEPS (Ghana Electronic Procurement System) is a web-based, collaborative system, developed in accordance with the requirement of public procurement laws, to facilitate public procurement processes in Ghana. It offers a secure, interactive, dynamic environment for carrying out procurement of all.

Find, search and filter Tenders/Call for bids/RFIs/RFPs/RFQs/Auctions published by the government, public sector undertakings (PSUs) and private entities. GhanaTenders is a domain owned and maintained by TendersOnTime (TOT). TOT is in the business of wide range of online Business to Business (B2B).
