Government procurement price of enterprise ESS system in Czech

Overview

Who is responsible for public procurement in the Czech Republic?

Additionally it is responsible for the Information System on Public Procurement. There is no central purchasing body in the Czech Republic, but the PPA allows contracting authorities to group for joint purchasing.

What is the e-procurement strategy in the Czech Republic?

The strategy aims at overcoming the main barrier to e-procurement in the Czech Republic, namely the lack of e-procurement infrastructure. Thus by 2015, all contracting authorities must be equipped to carry out the full procurement process online.

What is the Czech e-procurement policy?

The Czech e-procurement policy is defined in the 'Strategy of Electronic Public Procurement for the Period 2011 to 2015'. The strategy aims at overcoming the main barrier to e-procurement in the Czech Republic, namely the lack of e-procurement infrastructure.

How is public procurement regulated in the EU?

The EU's public procurement legislation is transposed into the Public Procurement Act (PPA) and its amendments (Act No. 137/2006 Coll.), and the Concession Act (Act No. 139/2006 Coll.), which governs concession agreements and concession proceedings.

How can a company become a supplier to ESS?

This page serves as an overview of the entry points to ESS, providing guidance on how companies can become suppliers to ESS. Companies interested in ESS business opportunities can register a business profile in the ESS Supplier Portal to enable matching of potential suppliers with ongoing procurements.

Where can I find current business opportunities at ESS?

Current and forthcoming business opportunities at ESS are posted in the Procurement Listings. Completed tenders are published quarterly in the Contract Award Notices. All procurement follows the European Spallation Source ERIC Procurement Rules, which align with the EU treaty principles of transparency, non-discrimination and competition.
