# Government procurement price of portable ESS system in Slovakia

## Overview

---

Do you need an e-signature for public procurement in Slovakia?

Usually an authentication in the e-procurement system allowing the tenderer to be identified or a simple e-signature will suffice. A qualified e-signature is necessary if required by law or the contacting authority/entity. Are you looking for information on public procurement regulation in Slovakia?

.

Where can I find public procurement notifications for the Slovak Republic?

1. Where can one find public procurement notifications for the Slovak Republic?

Journal of Public Contracts (Vestník verejného obstarávania) administered by the Office for Public Procurement (OPP), accessible online. 2. What are the relevant thresholds for the applicability of the Slovak Procurement Law?

(Act on Public Procurement – APP) 3.

How can a company become a supplier to ESS?

This page serves as an overview of the entry points to ESS, providing guidance on how companies can become suppliers to ESS. Companies interested in ESS business opportunities can register a business profile in the ESS Supplier Portal to enable matching of potential suppliers with ongoing procurements.

Where can I find current business opportunities at ESS?

Current and forthcoming business opportunities at ESS are posted in the Procurement Listings. Completed tenders are published quarterly in the Contract Award Notices. All procurement follows the European Spallation Source ERIC Procurement Rules, which align with the EU treaty principles of transparency, non-discrimination and competition.
