

## Global PV Storage Insights

# Rooftop solar storage project financing options in Vietnam 2026

## Overview

---

What policies support rooftop solar power adoption in Vietnam?

Government policies in Vietnam that support rooftop solar power adoption include feed-in tariffs, Direct Power Purchasing Agreements (DPPA), and draft decrees that promote self-produced and self-consumed solar energy. These measures create a favorable environment for solar energy development.

Why are rooftop solar PV systems becoming more popular in Vietnam?

systems in recent years. This growth has been driven by government incentives and an increasing awareness of the benefits of renewable energy. In order to facilitate the development of rooftop solar PV projects, Vietnam is putting together a regulatory framework that governs the implementation and operation of these systems.

Does Vietnam have a rooftop solar market?

The rooftop solar market in Vietnam has witnessed remarkable growth, with the total capacity for solar power reaching approximately 16,567 MW by the end of 2022. Notably, rooftop solar alone contributes over 9,000MW to this figure, underscoring the significant role of rooftop installations in the nation's renewable energy portfolio.

How many MW is rooftop solar power in Vietnam?

As of the end of 2024, rooftop solar power in Vietnam contributed over 9,500 MW to the total installed capacity of approximately 103,000 MW. This significant growth underscores the country's commitment to renewable energy. What government policies support rooftop solar power adoption in Vietnam?

Should new rooftop solar PV projects be included in the power development plan?

Inclusion in Power Development Plan: It is unclear whether new rooftop solar PV projects must be included in the power development plan. This raises questions about the process for registering and approving these projects.

Who are the major players in Vietnam's rooftop solar market?

The major players in Vietnam's rooftop solar market include local companies such as SolarBK, TTC Group, and Sao Mai Group, alongside international firms like SunPower and First Solar. Their involvement is crucial to the market's growth and development. Head of Business Development | HR & Payroll Services at InCorp Vietnam.
