# Successful bid price of hybrid solar storage project in Mauritius 2025

**ESS**

## Overview

---

On June 12th, Linyang Energy announced that a consortium formed by its Linyang Power Services and China Water Resources and Electric Power Corporation has successfully won the bid for the Mauritius government's grid side energy storage project, with a bid amount of 24.9889 million US.

On June 12th, Linyang Energy announced that a consortium formed by its Linyang Power Services and China Water Resources and Electric Power Corporation has successfully won the bid for the Mauritius government's grid side energy storage project, with a bid amount of 24.9889 million US.

In an exciting development for renewable energy in Africa, Qair, an Independent Power Producer (IPP), has successfully closed a loan to finance a significant 60MW hybrid solar photovoltaic and battery energy storage system (BESS) project in Mauritius. This initiative is poised to play a crucial.

The four projects in the Stor'Sun initiative that Qair won in 2024 are now funded, and will aim to provide a consistent 12-hour energy output. Renewable energy developer Qair has secured financing from SBM Bank (Mauritius) Ltd for its Stor'Sun I and II hybrid solar-plus-storage projects. These two.

French renewable energy producer Qair has secured a loan agreement to finance the construction of 60 MW of hybrid solar and storage projects in Mauritius. The funding, provided by the State Bank of Mauritius (SBM Bank), will support the implementation of four projects awarded to Qair in 2023 under.

Paris, August 7, 2025 – Independent renewable energy company Qair announces the closing of a new loan to support the implementation of a hybrid solar photovoltaic and battery energy storage system (BESS) project in Mauritius. This project builds upon Qair's long-standing presence in the Indian.

SBM Bank has financed Qair's 60 MW Stor'Sun solar plus storage projects in Mauritius, supporting grid stability and pan-African renewable expansion. Qair

has obtained financing from SBM Bank to advance the 60 MW Stor'Sun hybrid solar and battery storage projects in Mauritius. Image Credit/Source:.
