Successful bid price of solar plus storage project in Luxembourg 2030

Overview

How many solar projects has Luxembourg selected?

Luxembourg has selected 75 solar projects in the nation's first procurement exercise for self-consumption. It will launch a second tender in July. From pv magazine France Luxembourg's Ministry of Economy and Ministry of Energy have chosen 85 projects totaling 43.3 MW in the country's inaugural solar self-consumption tender.

When will Luxembourg launch a second solar tender?

The ministry plans to launch the second tender of this kind in July. As of the end of 2022, Luxembourg had approximately 319 MW of installed PV capacity, with around 42 MW of new solar additions last year, according to the International Renewable Energy Agency.
