

## Global PV Storage Insights

# Warehouse solar storage supplier quotation in France 2026

## Overview

---

Where can I find warehouse space in France?

For businesses requiring proximity to shipping routes, France's major port authorities, such as the Grand Port Maritime de Marseille or the HAROPA Ports of Le Havre, Rouen, and Paris, can provide information on available warehouse space within or near port areas.

Where can I find a warehouse property in France?

Companies like Prologis, Goodman, Panattoni, SEGRO, and Argan have extensive portfolios of warehouse properties across France and are often seeking to attract new tenants. Their websites usually have sections dedicated to showcasing available properties and contact information for leasing inquiries.

What is the warehousing market like in France?

Analyzing data from JLL, Cushman & Wakefield, and Statista reveals compelling insights into the French warehousing market. As of Q3 2023, prime rents in key logistics hubs remained elevated, reflecting strong demand and limited supply. The Paris region, as expected, commanded the highest rents, followed by Lyon and Lille.

Will the French warehousing & logistics real estate market continue to grow?

Overall, the French warehousing and logistics real estate market is expected to remain dynamic and competitive in the years leading up to 2030. While rental prices are likely to continue increasing, the rate of increase might vary across different regions and types of facilities.

What is the French warehousing and Fulfillment market?

The French warehousing and fulfillment market encompasses a diverse range of providers, each catering to specific business needs. Understanding these different types can help you choose the right partner for your unique

requirements.

How to operate a warehouse in France?

Operating a warehouse in France requires strict adherence to a comprehensive framework of laws, regulations, and standards. These legal and safety requirements ensure the well-being of employees, the protection of goods, and environmental responsibility.
